Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Mental Health Association of Essex and Morris's Suicide Prevention Services in fiscal year 2022.

The entity to receive funding for this project is Mental Health Association of Essex and Morris, Inc., located at 300 Littleton Road Parsippany, NJ 07054.

The funding would be used for Suicide Prevention Services, which are designed to provide specific presentations on suicide prevention for schools. These services can also be provided to the greater community, including parents, family members, houses of worship, and colleges. The services will be provided in Essex, Morris, Passaic, and Sussex Counties. The project will include a media campaign to increase awareness regarding mental health with information on how and where to find help.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mikie Sherrill
Member of Congress
