Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Morristown Medical Center Emergency Department Renovation and Expansion Project in fiscal year 2023.

The entity to receive funding for this project is Atlantic Health System, located at 475 South Street, Morristown, NJ 07960.

The funding would be used for Morristown Medical Center to replace the existing patient monitors and increase the monitoring capability in the hallway areas of the Red Zone, as well as to construct additional negative pressure rooms to control airborne pathogens and for modernization of the triage space.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mikie Sherrill
Member of Congress
