Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Community EMS Physician Response Expansion Initiative in fiscal year 2023.

The entity to receive funding for this project is RWJBarnabas Health/Cooperman Barnabas Medical Center, located at 94 Old Short Hills Road, Livingston, NJ 07039.

The funding will be used to expand and enhance the existing EMS Physician Training and Mobile Health initiative currently based in Newark to include an additional team based at Cooperman Barnabas Medical Center in Livingston. The major benefit of this program is to deliver immediate life-saving interventions while also enhancing triage capabilities, providing the right resources to the right patient at the right time. The public benefit is better health outcomes and lives saved.

I certify that neither I nor my immediate family has any financial interest in this project.”

Sincerely,

Mikie Sherrill  
Member of Congress
