Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for Bridge K-03 carrying County Route 607 over Styx River / Lake Hopatcong in the Borough of Hopatcong in surface transportation reauthorization legislation.

The project sponsor for this project is the County of Sussex and the project is located in Hopatcong, NJ 07843.

The funding is designated for professional engineering services to evaluate opportunities for the rehabilitation or replacement of Sussex County Bridge K-03. This bridge carries Sussex County Route 607 over Styx River/Lake Hopatcong and is currently exhibiting a number of deficiencies and operational concerns.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: improvement of efficiencies of the area, enhancement of the overall livability of the community, and encouraging economic development within the community and region.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mikie Sherrill
Member of Congress
