Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for McBride Avenue roundabout improvement in surface transportation reauthorization legislation.

The project sponsor for this project is the County of Passaic and the project is located at the intersection of McBride Avenue and Browertown Road in Woodland Park, NJ 07424.

The funding is designated for constructing a modern roundabout at the intersection of McBride Avenue and Browertown Road in Woodland Park, NJ. The project would also connect bicycle infrastructure already installed along McBride Avenue as part of a connection to the Morris Canal Greenway, less than a quarter of a mile north of the project.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: a safer intersection as well as magnification of the impact of the Morris Canal Greenway on tourism and commerce.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mikie Sherrill
Member of Congress
