Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Pompton River Rail Bridge in surface transportation reauthorization legislation.

The project sponsor for this project is the County of Morris and the project is located in Pequannock Township and Wayne Township. The nearest street address is 100 Haul Road, Wayne, NJ 07470.

The funding is designated for substructure repairs on an existing railroad bridge that will be part of a new, five-mile trail from the northern border of Pequannock Township to Wayne Township. Funds will be used for design and construction.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: the completion of a safe trail for public use and enjoyment.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mikie Sherrill  
Member of Congress
