Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for replacement of Morris County Bridge 1400-433 on Bloomfield Avenue in the Township of Montville in surface transportation reauthorization legislation.

The project sponsor for this project is the County of Morris and the project is located in Montville Township. The nearest street address is 79-89 Old Bloomfield Avenue, Pine Brook, NJ 07058.

The funding is designated for replacing the superstructure of Bridge 1400-433 with a similar structure as the existing bridge has been found structurally deficient due to the poor condition of the bridge deck.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: serving as primary access for emergency vehicles coming from a firehouse located 2,200 feet from the bridge and secondary access for the future residents of planned residential units on a 36-acre property.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mikie Sherrill
Member of Congress
