Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the replacement of water mains in Stanhope, NJ in fiscal year 2022.

The entity to receive funding for this project is the Borough of Stanhope, located at 77 Main St, Stanhope, NJ 07874.

The funding would be used for the replacement of undersized water mains on Sunset Avenue, Ridge Road, and Overhill Road in Stanhope Borough. The water mains are 70 years old and past their useful lifespan. It is essential that the aging drinking water infrastructure be replaced as the current water main system is unreliable. Replacement will also improve the Borough’s overall water flow, advancing public safety and emergency preparedness.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mikie Sherrill
Member of Congress
