

# RESOURCE GUIDE THE COVID-19 VACCINE IN NEW JERSEY

## VACCINE FACTS

- New Jersey is rolling out COVID-19 vaccines in a phased approach to all adults who live, work, or are being educated in the state.
- As of 1/28/21, individuals in 1A and portions of 1B are eligible for the vaccine.
  - Click [here](#) for the full eligibility list
- You should register yourself through both the state and your county portal.
- The COVID-19 vaccine will be available without any cost barriers, regardless if you have health insurance or not.

## STATE LEVEL RESOURCES

State Portal: <https://covidvaccine.nj.gov/>

- You can pre-register for the vaccine here to determine which vaccination phase you are in and to receive a notification when you are eligible for a vaccine. We suggest you pre-register as soon as possible.

New Jersey Vaccine Call Center: **(855) 568-0545**

- Residents can call the state's vaccination hotline for assistance, including questions about eligibility, pre-registration, and vaccination locations. Live agents are available to take calls in both English and Spanish.
